Stabbing

On May 26, 2022, at approximately 9:10 AM, Manchester Police were notified that a man had arrived at Catholic Medical Center with a stab wound.

Through the course of the investigation, police learned that the 47-year-old victim and a man he knew had gotten into an argument in an apartment at 436 Granite St. The argument escalated and became physical. During the course of the altercation, the suspect identified as 67-year-old Raymond Marshall pulled out a knife and stabbed the victim in the side. The victim's injuries were non-life-threatening.

Police went to the Granite St apartment where the incident took place and tried to make contact with Marshall, but were unsuccessful. At approximately 12:30 PM, police received a call from Catholic Medical Center saying Marshall was at the hospital. He was determined to have injuries connected to the earlier incident.

Marshall was treated for his injuries and then taken into custody. He faces one count of First Degree Assault with a Deadly Weapon. He is scheduled for arraignment today (5/27/22) in Hillsborough Superior Court North.
